

## 28 June 2009: St John Ambulance Brigade's Launch of CPB Management System & Presentation of Chief Commissioner's Badge

**Guest of Honour: Ms Denise Phua, MP for Jalan Besar GRC**

MP Denise Phua graced the above occasion together with more than 350 participants at the St John Ambulance, Singapore NHQ at Beach Road on 28 June 2009 at 2 pm.

As she celebrated the 2 Cs (CPBMS launch and Chief Commissioner Badge presentations) with all, she reminded the cadets of 2 other significant 'C's in their lives - Character and Contribution. She asked all too always strive to do the right things even when no one is watching and even when no award is at hand. She shared that life is more meaningful when we move from a 'complaint' mode to a 'contribution' mode, offering constructive criticisms and contributing to a solution in life's less than ideal situations. Ms Phua then congratulated all the cadets and wishes them success all the days of their lives.
